

Annual Report- 2022-23

***May be there is a road ahead of it,
May be there is a new world down the road,
Walking forth is the only plight,
Because we didn't come this far to come this far only "***

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavors.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

1. As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes Pre-Primary to XII. The programme made the parents aware of the scheme of education we impart here at our school. Query-resolving session by a child psychologist illuminated the path of positive parenting.
2. Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community. Respected Chairman himself graced the occasion and inaugurated the Digitization System on the pious day of his birthday celebration by launching the SCHOOL APP and school's own WEB PORTAL.
3. Having the school completely digitized has innumerable advantages to the parents, teachers and the school itself. Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the SCHOOL APP on Android and Apple mobiles and through the WEB PORTAL.
4. Parents have a direct access to communicate with the Class-Teacher for regular update of their child and the cases that need personal attention can be escalated directly to principal through the provision of Communicate in our Portal. Parents and teachers have been brought closer as this software provide a direct upload of the daily homework on the online portal parallel to what's given in the classroom, so that parents too are apprised of the daily homework given in classroom and the same can be enforced at the parents' end too.
5. As a new Endeavour, we took a giant leap in the examination procedure this year by replacing the conventional regime of manually prepared Reports-cards by the teachers with Computer Generated Report-Cards. This transformation minimized the efforts of the teachers to manually fill in the Report-Cards all by themselves.

6. With the sole purpose of updating teachers' knowledge, the school hosted a series of Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills by CBSE, Meditation & Stress Management, English Language and Mathematics. Apart from this, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended various workshops like workshop on NURTURING EARLY CHILDHOOD and ADOLESCENCE MANAGEMENT, workshops on various ACADEMIC SUBJECTS. Attendee teachers further shared the knowledge with other fellow teachers widening the sphere of wisdom.
7. School celebrated Annual Day on the theme- Naya Daur. It was one of its kind event in Fatehabad. Each performance has very different concept and all the performances kept the audience astonished and one of the parents could not stop himself and came on stage to applaud for school. M P Smt Sunita Duggal , chief guest of the event appreciated school for the innovative ideas and congratulated parents that their kids are in safe hands
8. To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates, Shlok Competition, Quiz, Rangoli, Declamation, Creative-Writing, Spelling-Bee, Rhyme and Rhythm, Drawing and Power-Point competitions. Our students took part in various inter-school and zonal level Competitions and brought laudable laurels to the school.

We are drowning in information and severely starving for wisdom today. Fortunately, we are empowered with demographic dividend knocking on our door. We just need to break the cocoon and let in the beautiful colours of knowledge. I am sure in the coming years; we shall successfully channelize the halo of the young minds to explore best of their abilities.

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far.
